Dear President, dear Secretary General,
Dear friends,

It is with deep sadness and sorrow that we have been informed about the sudden passing of the Serbian Shooting Champion, Mrs Bobana Veličković, an excellent athlete who had participated in two editions of the Mediterranean Games, in Mersin 2013 and in Tarragona 2018.

The world of Shooting, the Olympic Movement and the Mediterranean family have lost a great athlete and an excellent person, always committed to the Olympic values.

On behalf of all the Members of the entire ICMG Organisation, please accept our sincere condolences and convey our deepest sympathy to her family and to the Serbian Shooting Sport Federation for their loss.

Yours sincerely,

The President

Amar Addadi
